

Introduction

This page has been designed to explain the Read Write Inc programme and how you can support your child at home when they are learning to read.

To learn to read children need to:

- learn 44 sounds (phonemes) and the corresponding letters/letter groups (graphemes)
- learn to read using sound blending techniques
- learn to love reading
- be confident in what they can read and then use this confidence to read more challenging texts.

All of our staff have been trained in the Read, Write Inc programme and they can show you how to pronounce these sounds. We hope that you will not hesitate to ask for any help. We are here for your child!
