## Definition of Bullying

Bullying is “Behaviour by an individual or a group, usually repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, March 2014). In other words, bullying at Falconbrook Primary School is considered to be, “unacceptable behaviour which occurs **‘lots of times, on purpose’**.” Bullying can be short term or continuous over long periods of time.

The Anti Bullying Alliance defines bullying as:

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. ### **Creating an anti-bullying climate in our school**

Our school's Behaviour Management Policy explains how we are clear about the high standards of learning and social behaviour we expect from all of our children.

We also draw on the school's PSHE Curriculum Promoting Alternative Thinking Strategies (PATHS) and promote appropriate behaviour through direct teaching, and by creating an emotionally and socially safe environment where these skills are learned and practised. Our aim is to create a climate where bullying is not accepted by anyone within the school community.

As a school we:

- Raise awareness about bullying and our anti-bullying policy
- Increase understanding for victims and help build an anti-bullying ethos
- Teach pupils how constructively to manage their relationships with others
- Use PATHS lessons, Circle Time, assemblies, role-plays and stories to show what pupils can do to prevent bullying, and to create an anti-bullying climate in school.
- Publish our anti-bullying policy on the school web-site.
- Ask pupils whether they feel safe in school and we will supervise, and try to eliminate any unsafe areas which they report to us.
- Provide regular training/reminders for teachers and non-teaching staff on spotting the signs of bullying and how to respond to it.

### **Responsibilities**

It is the responsibility of:

- School Governors to take a lead role in monitoring and reviewing this policy.
- Governors, the Headteacher, Senior Leaders, Teaching and Non-Teaching staff to be aware of this policy and implement it accordingly.
